## Cédric Bachelard

In 2006, Cédric Bachelard and Anne Marie Wagner founded the office Bachelard Wagner Architects in Basel.

After his degree in architecture at the Ecole Polytechnique Fédérale, Lausanne in 1996, he was working as an architect at Stean Sterf Architects, Berlin until 1999 and at Zwimpfer Partner Architects, Basel from 1999 to 2001. From 2002 to 2006 he was a founding partner of the office GAS Bachelard Geser Architects, Basel. 2008 to 2017 he was professor for design at the Polytechnical College of Engineering and Architecture in Fribourg. Since 2002, he is a member of the SIA and since 2006 of the FAS.
